

Financial Report

Directors' Report

Your directors present their report on the consolidated entity consisting of New South Wales Rugby Union Limited and the entities it controlled at the end of, or during, the year ended 31 October 2006.

Directors

The following persons were directors of New South Wales Rugby Union Limited during the whole of the financial year and up to the date of this report:

Arvid Petersen (Chairman)

Laurie Maher

Mike Brown (Resigned 6 February 2006)

Ian Ross

Fraser Neill

Edwin Zemancheff

Will Jephcott

Bob Shield (Resigned 12 July 2006)

Dan Vickerman

Alan Williamson (Appointed 12 July 2006)

Barry Killham (Appointed 6 February 2006)

Principal activities

The principal continuing activities of the consolidated entity during the course of the year ended 31 October 2006 were the organisation and promotion of the game of Rugby Union in the State of New South Wales and the management of a professional Rugby Union team.

Review of operations

The surplus from ordinary activities after income tax of the consolidated entity was:

	2006	2005
	\$	\$
Surplus from ordinary activities after income tax	1,595,604	2,920,899

The continuing viability of the Company and the consolidated entity and their ability to continue as a going concern and meet their debts and commitments as they fall due are dependent upon the Company and the consolidated entity being successful in:

- receiving the continuing support of their members and the constituent bodies;
- achieving sufficient future cash flows to enable their obligations to be met;
- success in retaining and attracting new sponsorship and hospitality revenues and;
- indirectly, the performance of the Waratahs in the Super 14 competition.

The Board is committed to continuous monitoring of these factors and any impacts on the future projected cash flows. The Board is also committed to a long term strategy to effectively manage the Company's debt levels, and to effectively manage and maintain a sustainable working capital balance.

Significant changes in the state of affairs

There were no significant changes in the state of affairs of the Company and the consolidated entity during the financial year.

Matters subsequent to the end of the financial year

No matters or circumstances have arisen since 31 October 2006 that have significantly affected, or may significantly affect:

- the Company's operations in future financial years, or
- the results of those operations in future financial years, or
- the Company's state of affairs in future financial years.

Financial Report

Directors' Report - continued

Likely developments and expected results of operations

The company and consolidated entity will continue in its activities of organising and promoting the game of Rugby Union in New South Wales as well as management of a professional Rugby Union team. Through performance improvements and stronger fiscal controls, the Company and consolidated entity will be seeking to steadily improve their financial positions.

The company expects to shortly finalise its contractual arrangements with the Australian Rugby Union in relation to the development of the new National Rugby Competition.

Further information on likely developments in the operations of the Company and the expected results of operations have not been included in this annual report because the directors believe it would be likely to result in unreasonable prejudice to the Company.

Meetings of directors

The number of meetings of the company's board of directors held during the year ended 31 October 2006, and the numbers of meetings attended by each director were:

Full meetings of directors

	A	B
Aavid Petersen (Chairman)	7	8
Laurie Maher	8	8
Mike Brown (Resigned 6 February 2006)	3	3
Ian Ross	8	8
Fraser Neill	8	8
Edwin Zemancheff	7	8
Will Jephcott	8	8
Bob Shield (Resigned 12 July 2006)	6	6
Dan Vickerman	3	8
Alan Williamson (Appointed 12 July 2006)	2	2
Barry Killham (Appointed 6 February 2006)	5	5

A = Number of meetings attended

B = Number of meetings held during the time the director held office

Insurance of officers

During the financial year, New South Wales Rugby Union Limited paid a premium of \$27,500 to insure the directors and officers of the company and related entities.

Proceedings on behalf of the company

No proceedings have been brought or intervened in on behalf of the company with leave of the Court under section 237 of the **Corporations Act 2001**.

Auditor's independence declaration

A copy of the auditor's independence declaration as required under section 307C of the **Corporations Act 2001** is set out on page 58.

Auditor

PricewaterhouseCoopers continues in office in accordance with section 327 of the **Corporations Act 2001**.

This report is made in accordance with a resolution of directors.

Auditor's Independence Declaration

As lead auditor for the audit of New South Wales Rugby Union Limited for the year ended 31 October 2006, I declare that, to the best of my knowledge and belief, there have been:

(a) no contraventions of the auditor independence requirements of the **Corporations Act 2001** in relation to the audit; and

(b) no contraventions of any applicable code of professional conduct in relation to the audit.

This declaration is in respect of New South Wales Rugby Union Limited and the entities it controlled during the period.

Financial Report

Corporate Governance Statement

31 October 2006

New South Rugby Union Ltd is committed to achieving and demonstrating the highest standards of corporate governance. The board continues to develop best practice corporate governance practices under which the board and senior management will operate. A summary of those practices now in place is set out below.

Corporate Reporting

The Chief Executive Officer and the Chief Financial Officer have certified to the board that the company's and consolidated entity's financial reports are complete and present a true and fair view, in all material respects, of the financial condition and operational results of the company and consolidated entity and are in accordance with relevant accounting standards.

Audit and Finance Committee

The Audit and Finance Committee consists of the following:

Will Jephcott (Chairman)

Laurie Maher

Barry Killham

The Audit & Finance Committee operates in accordance with a charter. Its primary function is to oversee, enhance and strengthen the finance and risk management processes of NSWRU. The main duties and responsibilities of the Audit and Finance Committee are:

- ◆ monitor the operational and financial aspects of the Company's and consolidated entity's activities and make appropriate recommendations to the Board;
- ◆ evaluate the adequacy of the Company's and consolidated entity's accounting control system;
- ◆ review all insurance coverage including Director's and Officer's Liability
- ◆ require reports from Management and/or external advisors on any significant proposed regulatory, insurance or reporting issue, to assess the potential impact upon the Company's finance or risk reporting processes;
- ◆ recommend to the Board the appointment and terms of engagement of the external auditors;
- ◆ review the annual financial statements with the Chief Financial Officer and the external auditors;
- ◆ monitor the standard of corporate conduct in areas such as arm's length dealings and likely conflicts of interest;
- ◆ establish and review the investment policies for reserve funds;
- ◆ establish and review the policies for debt financing.

Human Resources Committee

The Human Resources Committee consists of the following:

Arvid Petersen (Chairman)

Edwin Zemancheff

Alan Williamson

Ian Ross

The Remuneration Committee advises the board on human resource and remuneration policies and practices generally.

1 Summary of significant accounting policies

The principal accounting policies adopted in the preparation of the financial report are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated. The financial report includes separate financial statements for New South Wales Rugby Union Limited as an individual entity and the consolidated entity consisting of New South Wales Rugby Union Limited and its subsidiaries.

(a) Basis of preparation

This general purpose financial report has been prepared in accordance with Australian equivalents to International Financial Reporting Standards (AIFRSs), other authoritative pronouncements of the Australian Accounting Standards Board, Urgent Issues Group Interpretations and the Corporations Act 2001.

Compliance with IFRSs

Australian Accounting Standards include AIFRSs. Compliance with AIFRSs ensures that the consolidated financial statements and notes of New South Wales Rugby Union Limited comply with International Financial Reporting Standards (IFRSs). The parent entity financial statements and notes also comply with IFRSs.

The Board have assessed the transition to AIFRS as at 1 November 2004 and note that there are no material impacts to both the consolidated and parent company financial statements. Consequently, no adjustments have been made following the transition to AIFRS.

Going concern

The continuing viability of the Company and the consolidated entity and their ability to continue as a going concern and meet their debts and commitments as they fall due are dependent upon the Company and the consolidated entity being successful in :

- a) receiving the continuing support of their members and the constituent bodies; and
- b) achieving sufficient future cash flows to enable their obligations to be met; and
- c) success in retaining and attracting new sponsorship and hospitality revenues and;
- d) indirectly, the performance of the Waratahs in the Super 14 competition.

The Board is committed to continuous monitoring of these factors and any impacts on the projected cash flows for 2007 and 2008. The Committee is also committed to the development of an appropriate medium to long term strategy to effectively manage the Company's debt levels, and to establish a sustainable working capital position.

The 2007 forecast is considered to be attainable and is expected to improve the financial position of the Company and the consolidated entity

Historical cost convention

These financial statements have been prepared under the historical cost convention.

Critical accounting estimates

The preparation of financial statements in conformity with AIFRS requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements, are disclosed in note 3.

(b) Principles of consolidation

The consolidated financial statements incorporate the assets and liabilities of all subsidiaries of New South Wales Rugby Union Limited ("company") as at 31 October 2006 and the results of all subsidiaries for the year then ended. New South Wales Rugby Union Limited and its subsidiaries together are referred to in this financial report as the consolidated entity.

Inter-company transactions, balances and unrealised gains on transactions between entities in the consolidated entity are eliminated. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Company.

Investments in subsidiaries are accounted for at cost in the individual financial statements of New South Wales Rugby Union Limited.

(c) Revenue recognition

Revenue from memberships, match day tickets and grants is measured at fair value and taken to income in the period to which it relates.

Revenue from sponsorship is measured at the present value on a straight line basis over the life of the contract.

Interest income is recognised on a time proportion basis using the effective interest method,

(d) Income tax

The company and its controlled entities are exempt from income tax in accordance with the provisions of section 23(g) of the Income Tax Assessment Act.

(e) Leases

Leases of property, plant and equipment where the Company has substantially all the risks and rewards of ownership are classified as finance leases (note 14). Finance leases are capitalised at the lease's inception at the lower of the fair value of the leased property and the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in other long-term payables. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the income statement over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period. The property, plant and equipment acquired under finance leases is depreciated over the shorter of the asset's useful life and the lease term.

Leases in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases (note 23). Payments made under operating leases (net of any incentives received from the lessor) are charged to the income statement on a straight-line basis over the period of the lease.

(f) Property, plant and equipment

All property, plant and equipment is stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Depreciation is calculated using the straight line method to allocate their cost or revalued amounts, net of their residual values, over their estimated useful lives, as follows:

Leasehold improvements	Over the lease term (a)
Office equipment	5 years
Leased motor vehicles	5 years
Plant and equipment	10 years

(a) The cost of other leasehold improvements to or on leasehold properties is amortised over the unexpired period of the lease or the estimated useful life of the improvement to the consolidated entity, whichever is the shorter. Leasehold improvements held at the reporting date are being amortised over 4 years.

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

(g) Intangible assets

(i) Trademarks, licences and website costs

Trademarks, licences and website costs have a finite useful life and are carried at cost less accumulated amortisation and impaired losses. Amortisation is calculated using the straight line method to allocate the cost of trademarks, licences and website costs over their estimated useful lives, which vary from 3 to 5 years.

(h) Impairment of assets

Intangible assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. Inflows from other assets or groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at each reporting date.

(i) Trade and other payables

These amounts represent liabilities for goods and services provided to the economic entity prior to the end of the financial year and which are unpaid. The amounts are unsecured.

(j) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the balance sheet date.

(k) Borrowing costs

Borrowing costs incurred for the construction of any qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Other borrowing costs are expensed.

(l) Provisions

Provisions for legal claims are recognised when: the Company has a present legal or constructive obligation as a result of past events; it is probable that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the balance sheet date. The discount rate used to determine the present value reflects current market assessments of the time value of money and the risks specific to the liability.

(m) Employee benefits

(i) Wages and salaries, annual leave and sick leave

Liabilities for wages and salaries, including non-monetary benefits, annual leave and accumulating sick leave expected to be settled within 12 months of the reporting date are recognised in other payables in respect of employees' services up to the reporting date and are measured at the amounts expected to be paid when the liabilities are settled.

(ii) Long service leave

The liability for long service leave is recognised in the provision for employee benefits and measured as the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match, as closely as possible, the estimated future cash outflows.

(iii) Retirement benefit obligations

All employees of the consolidated entity are entitled to benefits on retirement, disability or death from BT Lifetime Super Employer Plan or other nominated funds of those employees. The BT Lifetime Super Employer Plan is an accumulation fund, contributions being made by the economic entity at a rate of 9% (up to the maximum contribution base) of wages and salaries on behalf of the employees. The entities contributions are legally enforceable.

(n) Cash and cash equivalents

For cash flow statement presentation purposes, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

(o) Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less provision for doubtful debts. Trade receivables are due for settlement no more than 30 days from the date of recognition.

Collectibility of trade receivables is reviewed on an ongoing basis. Debts which are known to be uncollectible are written off. A provision for doubtful receivables is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of receivables. The amount of the provision is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate. The amount of the provision is recognised in the income statement.

(p) Inventories

(i) Consumables

Consumables are stated at the lower of cost and net realisable value. Cost comprises purchase cost and delivery cost. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs necessary to make the sale.

(q) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of associated GST, unless the GST incurred is not recoverable from the taxation authority. In this case it is recognised as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the taxation authority is included with other receivables or payables in the balance sheet.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to the taxation authority, are presented as operating cash flow.

(r) New accounting standards and interpretations

Certain new accounting standards and interpretations have been published that are not mandatory for 31 October 2006 reporting periods. The Company has not assessed the possible impact of the application of the new Accounting Standards on the entity's financial report in the period of initial application.

(s) Deferred income

Income is deferred on the balance sheet until it has been earned, at which point the deferred income is recognised as income.

2 Financial risk management

The Company's activities expose it to a variety of financial risks; credit risk, liquidity risk and cash flow interest rate risk. The Company's overall risk management program focuses to minimise potential adverse effects on the financial performance of the Company.

Risk management is carried under policies approved by the Board of Directors.

(a) Credit risk

The Company has no significant concentrations of credit risk. The Company has policies in place to ensure that sales of products and services are made to customers with an appropriate credit history.

(b) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and the availability of funding through an adequate amount of committed credit facilities. The Board manages its liquidity risk through rigorous budget setting and review of performance procedures.

(c) Cash flow and fair value interest rate risk

As the Company has no significant interest-bearing assets, the Company's income and operating cash flows are not materially exposed to changes in market interest rates.

The Company's interest-rate risk arises from long-term borrowings but the current borrowing structure is such that only fixed interest-rates apply thus minimising the interest-rate risk.

3 Critical accounting estimates and judgements

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under the circumstances.

4 Members' liability

In the event of the winding up of the Company, members may be required to contribute a maximum of \$100 each. Currently there are 15 members of New South Wales Rugby Union Limited.

Financial Report

Notes To The Financial Statements

31 October 2006

5 Segment information

The Company and consolidated entity operate in one industry being the organisation and promotion of the game of Rugby Union in New South Wales. This activity is completed in one geographical location, that being Australia.

25 Subsidiaries

The consolidated financial statements incorporate the assets, liabilities and results of the following subsidiaries in accordance with the accounting policy described in note 1(b):

Name of entity	Country of incorporation	Class of shares	Equity holding *	
			2006 %	2005 %
Rugby Ground Administration Pty Limited	Australia	Ordinary	78	78
Homan Pty Limited	Australia	Ordinary	100	100
NSWRU Finance Limited	Australia	Ordinary	100	100
Ranrub Pty Limited	Australia	Ordinary	100	100
NSW Foundation Pty Limited	Australia	Ordinary	100	100

* The proportion of ownership interest is equal to the proportion of voting power held.

26 Economic dependency

New South Wales Rugby Union Limited depends for a significant volume of revenue on Australian Rugby Union Limited. During the year ended 31 October 2006, approximately 39% (2005: 42%) of the revenue came from Australian Rugby Union Limited. This is supported by a Memorandum of Understanding between the Australian Rugby Union and its Member Unions. The current Memorandum of Understanding runs to 31 December 2008.

27 Reconciliation of surplus after income tax to net cash inflow from operating activities

Financial Report

Directors' Declaration

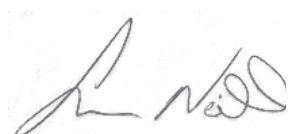

31 October 2006

In the Directors' opinion:

- (a) the financial statements and notes set out on pages 60 to 77 are in accordance with the Corporations Act 2001, including:
 - (i) complying with Accounting Standards, the Corporations Regulations 2001 and other mandatory professional reporting requirements; and
 - (ii) giving a true and fair view of the company's and consolidated entity's financial position as at Tuesday, 31 October 2006 and of their performance, as represented by the results of their operations, changes in equity and their cash flows, for the financial year ended on that date; and
- (b) there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

The directors have been given the declarations by the chief executive officer and chief financial officer required by section 295A of the Corporations Act 2001.

This declaration is made in accordance with a resolution of the directors.

Audit opinion

In our opinion, the financial report of New South Wales Rugby Union Limited:

- ◆ gives a true and fair view, as required by the Corporations Act 2001 in Australia, of the financial position of New South Wales Rugby Union Limited and the New South Wales Rugby Union Group (defined below) as at 31 October 2006, and of their performance for the year ended on that date, and
- ◆ is presented in accordance with the Corporations Act 2001, Accounting Standards and other mandatory financial reporting requirements in Australia, and the Corporations Regulations 2001.

This opinion must be read in conjunction with the rest of our audit report.

Scope

The financial report and directors' responsibility

The financial report comprises the balance sheets, income statements, cash flow statements, statements of changes in equity, accompanying notes to the financial statements, and the directors' declaration for both New South Wales Rugby Union Limited (the company) and the New South Wales Rugby Union Group (the consolidated entity), for the year ended 31 October 2006. The consolidated entity comprises both the company and the entities it controlled during that year.

The directors of the company are responsible for the preparation and true and fair presentation of the financial report in accordance with the Corporations Act 2001. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

Audit approach

We conducted an independent audit in order to express an opinion to the members of the company. Our audit was conducted in accordance with Australian Auditing Standards, in order to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgement, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected. For further explanation of an audit, visit our website <http://www.pwc.com/au/financialstatementaudit>.

We performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with the Corporations Act 2001, Accounting Standards and other mandatory financial reporting requirements in Australia, a view which is consistent with our understanding of the company's and the consolidated entity's financial position, and of their performance as represented by the results of their operations, changes in equity and cash flows.

Financial Report

Independent Audit Report

31 October 2006

Independent audit report to the members of New South Wales Rugby Union Limited

We formed our audit opinion on the basis of these procedures, which included:

- ♦ examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report, and
- ♦ assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the directors.

Our procedures include reading the other information in the Annual Report to determine whether it contains any material inconsistencies with the financial report.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

Our audit did not involve an analysis of the prudence of business decisions made by directors or management.

Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements and the Corporations Act 2001.
